KINGSVILLE AREA LITTLE LEAGUE SPONSOR FORM

The 2020 Little League season is quickly approaching. Kingsville Area Little League is able to serve and grow the children in our community with a safe and fun environment through the generous support of local sponsors.

Kingsville Area Little League is a non-profit organization consisting of approximately 200 players ranging in age from 4 to 15 years of age. Kingsville Area Little League has baseball and softball teams starting with TBall and going through the Junior Division. Our fields are located by Village Green Campground and golf course in North Kingsville. Little League is a volunteer organization and we rely on fundraising and sponsorship for our league expenses.

Since the success of the Kingsville Area Little League relies on the generosity of individuals, businesses, and organizations such as yours, we are asking that you take the opportunity to support the local children who enjoy playing baseball and softball at Kingsville Area Little League.

The children and parents of Kingsville Area Little League greatly appreciate your ongoing support! Improvements were made to the fields last year and many others are planned for 2020. These projects would not be possible without the generous support of our local businesses, organizations, and individuals.

Please complete the form on the next page and mail it to:
